

## Core Values Rubric Pilot

Our region is participating in a pilot of an updated Core Values rubric for the 2018-2019 INTO ORBIT<sup>SM</sup> season. We will be using a different Core Values rubric from the one you will find on *FIRST* LEGO League websites. The updated rubric aligns with the new *FIRST* Core Values and includes the following changes:

- Updated language for rows in all 3 award areas
- Inspiration
  - Team Spirit replaced by Team Identity
  - Integration replaced by Impact
- Gracious Professionalism
  - Respect and Inclusion combined into one row
  - New row added for Fairness and Integrity

While the update may shift what teams share with Judges, we do not expect it to have much impact on the work teams are doing throughout the season, guided by the *FIRST* Core Values.

In our region, all teams are required to prepare and present a Core Values Poster at the Semi Final and Championship Tournaments during their Core Values judging sessions. Please follow the updated Core Values Poster guidelines that correspond with the pilot Core Values rubric.

If you have questions about the updated rubric, contact me, Jacque Grimm [jacqueg@firstwa.org](mailto:jacqueg@firstwa.org) or email [filljudge@firstinspires.org](mailto:filljudge@firstinspires.org).

*FIRST*'s updated Core Values are-

- **Discovery:** *We explore new skills and ideas.*
- **Innovation:** *We use creativity and persistence to solve problems.*
- **Impact:** *We apply what we learn to improve our world.*
- **Inclusion:** *We respect each other and embrace our differences.*
- **Teamwork:** *We are stronger when we work together.*
- **Fun:** *We enjoy and celebrate what we do!*

Attached is the new Core Values Rubric and the Core Values Poster instructions we will be using this season. It is also posted on our website under Team Resources-> *FIRST* LEGO League-> *FIRST* LEGO League Downloads. They are not available on the *FIRST* Inspires website.
